EMERGENCY CARD KLAY

The first hour after blackmail.

A photo, a demand and a deadline. Do this, in this order.

01	**Stop replying.** Not a word, not another photo.
02	**Do not pay.** Paying proves you will pay, and the second demand comes within days.
03	**Screenshot everything:** account, messages, demand, deadline, with the date visible.
04	**Lock the account they used:** new password, two-step verification, sign out of every device.
05	**Do not block yet.** Blocking hides the evidence. Mute the conversation.
06	**Do not delete your account or the messages.** Deleting erases your proof.
07	**Intimate images, and you are over 18?** StopNCII.org blocks them on Facebook, Instagram, TikTok and Snapchat. Under 18: takeitdown.ncmec.org
